

Have a great start to the 2025-2026 school year!

Doctoral school seminar

The ED SIS seminar was held on July 1 and 2, 2025, at ENSA Nantes. Doctoral students from ED SPI BZH also participated in the event.

A total of 85 presentations were given for ED SIS and 30 for ED SPI BZH.

The four winners of the best presentations were Alexandre SCHIAVINI, Roxane VIMBERT, Nils FOIX COLONIER, and Karol MUÑOZ SALAS.

Matthieu LAGRANGE, LS2N, spoke on "A brief history of the breakthrough of deep learning with a discussion of the corresponding ethical and societal issues."

SIS UPCOMING DATES

- SIS Council meeting
 - September 23, 2025
 - November 19, 2025
- 1st year welcome meeting
 - November 19, 2025

HAVE A LOOK

The [Pommier Lazarus report](#) "Recommendations for the recognition of doctorates in business and society" [notre traduction], published in October 2024, recommended "taking action on stereotypical representations of career opportunities for doctorate holders (...)" in particular by "creating a network of doctorate ambassadors." [notre traduction]. The ambassadors have just been appointed. In the Pays de la Loire region, they are [LAGARRIGUE Clément](#) et [GIRIN Alexis](#)

MT 180 2025, LS2N in regional final

Mathilde THEUNISSEN from the Nantes Digital Science Laboratory (LS2N) reached the regional final thanks to her presentation in Nantes on March 10 on "Multi-robot localization and navigation for infrastructure monitoring." You can watch or rewatch her performance in the Loire region final on Tuesday, March 18 on [YouTube](#). The LS2N has 69* doctoral students.

(*Améthys data for 2024-2025)

Applications for MT 180 2025/26 will open on September 22 on [Amethis](#).
